Executive Director Position

An active Christian Scientist with Primary class instruction is sought to lead a progressive Christian Science Nursing Organization in central Florida as we grow in our mission to support Christian Science healing.

For more information,
visit www.wellspringsflorida.org

*

The flowers are beautiful, the pool is refreshing and the activities are varied. If you are a student of Christian Science, 62 or over, **The Willows** in Laguna Hills, CA might be just the place for you. You have multiple choices of activities as well as several choices of villa size. No taxes to pay, no lawns to mow. Try us, you might like us. We'd love meeting you.
