

Dear Subscriber:

Beginning January 2010, the video component of *eBibleLesson* will no longer be available.

We have been able to make the video edition of *eBibleLesson* available to you because the video Bible Lessons were produced and sold to Christian Science Broadcasting Committees who, in turn, bought time on local television stations to air the Bible Lesson. Since the video was already produced for distribution, we put it on the eBibleLesson website as an extra added feature.

This decision to stop our video production was not easily made! We value television broadcasting and the many committees supporting this activity. And we know that many of you enjoyed watching these videos on *eBibleLesson*. The cost associated with producing and distributing the Bible Lessons video program far exceeded revenues and it is no longer practical to produce Bible Lessons in this format.

We are so grateful for your support of *eBibleLesson* and we are even more grateful for your continuing to value the print, audio, and in-context versions. You can manage your account at any time online at: [www.ebiblelesson.com](http://www.ebiblelesson.com).

Thank you for your continuing support of *eBibleLesson* and all of the Bible Lesson products.

Warmly,

Sandra Waller  
Manager, Bible Lesson Products
